RULES OF PROCEDURES for helpdesk.fibrain.pl

1. Rules of Procedures define a set of rules that relate to free use of accounts in the server - helpdesk.fibrain.pl for all customers who purchased and paid for equipment in FIBRAIN.
2. The server provides training materials, manuals, software, data sheets and other files that are not defined in the Rules of Procedures with the use of website under the conditions specified in the following Rules of Procedures.
3. It is forbidden to publish and store files available on helpdesk.fibrain.pl without the prior permission of FIBRAIN and the author.
4. In the event of changing a place of work by the User it is necessary to inform immediately the Server administrator.
5. In case of sharing confidential information, from the User point of view, but necessary to solve the problem, the User is required to delete them later. In the event of sharing the login and password with fibrain.pl, they should be immediately changed after necessary diagnosis.
6. FIBRAIN is not responsible for storing files and other data, which can be permanently deleted, in the helpdesk service by the User.
7. FIBRAIN can change the form of the operation of the website without prior consultation.
8. FIBRAIN has the right to delete or limit the access to the server for all or part of the Users. Therefore, FIBRAIN can suspend the activities on the Server.
9. Only authorized users can use the materials available on the website by logging with the use of personalised login and password.
10. It is forbidden to share the login and/or password to unauthorized third parties without the consent of FIBRAIN.
11. It is forbidden to share, publish, copy and post on other sites provided materials without the prior written consent of the Server Administrator.
12. Resources are provided only for personal use and may not be disclosed to the third parties. The User is responsible for the safety of downloaded information.
13. The User who shared login data and other materials from the Server to the third parties without the prior consent of the Server Administrator, will have the account deleted permanently.
14. The User who witnessed disclosing the resources of the Server or access data to the account, is required to immediately notify the Server Administrator about it and provide any information that might help to determine the data of the person who disclosed it to the third parties.
15. Neither Server nor FIBRAIN is responsible for damages caused by the use of available materials.
16. The provisions of Rules of Procedures may be changed at any time by the Administrator because of the important causes.
17. If there is no acceptance of the Rules of Procedures, the User or Lender is obliged to terminate the contract with the Administrator. No termination of the contract will be interpreted as a consent to the currently applicable Rules of Procedures.
